

Ron Link, Principal  
 Monika Fisher, Assistant Principal  
 Demetri Nicolopoulos, Assistant Principal

September 23, 2013

Dear TAPCo Teacher,

The topic of this morning's Teacher Meeting from 8:30 to 9:05 should be about your curriculum needs. Please meet by Middle or High School department and turn in one sheet from your department to Annie. Teachers listed below are responsible for turning in the request sheet. If you have CMP3, Scholastic or other orders in, your department does not need to submit a request sheet.

Meeting places are as follows:

MS Science	Ms. Konigsberg	room 440
MS Social Studies	Mr. Roberts	room 536
MS ELA	Ms. Couvertier	room 520
MS Math	Mr. Mudrick	room 530
MS & HS SPED	Mr. Berkowitz	room 222

HS Science	Mr. Gister	room 213
HS Social Studies	Mr. Buchbinder	room 216
HS ELA	Mr. Wold	room 214
HS Math	Mr. Sandrowitz	room 213

Arts	Mr. Thorpe	room 216
------	------------	----------

In making your choices, know that our lowest third significantly outperformed our general education students. We need to differentiate for our higher level kids to make sure they grow also. The stats were consistent across the board in every class section. This is good in terms of your MOSL rating (lowest third). However, now we need to challenge our 3s and 4s with appropriate content. During our teacher lead meeting on Wednesday at 3:30, we will also be looking at the NYC baseline assessments to ascertain how we can infuse our curriculum with content and process that students will be measured on.

Sincerely,

Ron Link  
 Principal
