SUBJECT: Updated June 2014 Regents Examination Schedule

Since the release of the June 2014 Regents Examination schedule, we have received feedback from school administrators expressing concern about having an adequate supply of graphing calculators for all students taking Regents Examinations in mathematics on Friday, June 20, 2014.

To address this concern and ensure that all students taking Regents Examinations in mathematics will have access to a graphing calculator, the Department has issued a revised June 2014 Regents Examination schedule. The Regents Examination in Algebra 2/Trigonometry will now be administered on Wednesday, June 18, 2014 at 1:15 p.m. and the Regents Examination in Physical Setting/Physics will now be administered on Friday, June 20, 2014 at 1:15 p.m.

For the current June 2014 Regents Examination Schedule, please see the attached schedule marked "UPDATED 1/27/14." This schedule supersedes any previously released schedule for the June 2014 examination period. This updated schedule is also available on the Department's web site at <http://www.p12.nysed.gov/assessment/schedules/>.

Thank you for all you do on behalf of the students of New York State.
